STALIN SAYS "NOT ONE STEP BACKWARD"

Josef Stalin, sensing the inevitable has ordered the Red Army to stem the German tide and not to take a single step backward.

This order to the armies came at a time when all seems lost for the Russian cause in the southwest where the Germans are pressing on to Leningrad.

Resistance of the Red Army had stiffened somewhat and the Germans were not making as rapid progress as was indicated by the break through on the Don. The Nazi in some sectors have retreated.

Russia may be expected to throw in great reserves of men and may stem the German advance or stalemate the war, in which case Hitler would be in a desperate plight.

There was some feeling that the Germans believe they are soon to face an invasion. In this country few people feel that that the United States or Britain will do anything at all about the war, this year and may be not next year.

It must be assumed, however that much time is required to plan and execute a military operation of such magnitude as a successful invasion of the continent of Europe.

Meanwhile the situation south and east of Rostov is extremely grave and the war in that section might be won any moment by the Germans.

The RAF struck at Saarbrucken last night in a devastating raid. The British say they lost 9 bombers. The Germans sent bombers over England last night.

GERMANS PUSHING ON TO THE CASPIAN SEA

Russian resistance was breaking down in the Big Bend of the Don River as the Germans continued to slash ahead in their approach to Stalingrad.

Rostov has been evacuated and surrendered to the Germans.

Their cause succeeding the Nazi sent a large number of bombers over England last night. There was strong belief the Germans may now be preparing for an invasion of England when Russia is knocked out of the war.

Private observers predicted that Japan will attack Siberia, Alaska and Australia within the next ten days.

Germany had apparently shut off an invasion talk by Britain and the United States with 120 divisions of fighting men along the coast of occupied Europe.

49 Per Cent of Men In Recent Call Are Rejected by Army

Young American manhood is declining rapidy if rejections at army induction stations are taken as an indication.

It was revealed here Friday that 49 per cent of the latest number of men to report for induction, were rejected. Only 15 men were accepted out of 29 reporting.

Men who are turned down come back home and take their places again and if this ratio of rejection increases there should be no loss of labor. Normal rejections have been around 30 per cent or less.

Obtaining physically fit men may force draft boards to dig into lower categories before the summer is over.

Silsbee Man Aboard Ship With Jack Pond Writes to Family

Here is a letter received by Mr. and Mrs. Jack Pond of Maysfield from John P. Hare of Silsbee, Texas, who was aboard the ship, M. T. Ball which was sunk in the Gulf of Mexico, taking the lives of Jack Pond and others aboard:

Dear Friends:

"I received your letter regarding your son who was on the Ball with me when she went down.

"Yes, it is a very serious thing. I was not very well acquainted with your son for we were together only four days and I did not see him to know him, after he was dead, but I am quite sure he was burned to death for he was on the top deck of the ship when she went into total blaze. I am sure there was no chance for the poor men who were on the top decks.

"There were only seven or eight who got into the water and there was nothing to hold to, and only four of us escaped with our lives. We were saved by swimming 3 hours and 45 minutes.

"There is little more I can tell you, except I am sure your son was burned to death. This is hard for me to tell you, dear friends.

"We were hit about 6:45 in the afternoon on May 4th about 165 miles from Key West, Florida, northwest, the best we could find out.

"My mother and father send you all of their sympathy for they lost a son on the same ship with your son. He was 20 years old. I am all scarred up for life from serious burns and one broken bone.

"You ask me to visit you but it will be a month or two before I can do much traveling around but I will go and talk to your cousin, Mr. Myrows. I have a brother who knows him but I do not. I have been away for 8 years and have forgotten all the people I used to know.

"I can thing of nothing more to say so I will close. I hope that God may bless your son and my brother and all of you. I remain,

Forever your friend,
JOHN P. HARE.

Red Bell Winning Steadily in New York Ring; 24 Wins In 25

Russell (Red) Bell, former student in Yoe High School and a backfield ace of Carrol Wood's 1941 team, is making good in the New York prize ring.

Red is literally knocking them dead in New York. He is of course in amateur boxing circles.

He has piled up a record 24 wins out of 25 fights in New York and advanced to the middleweight finals in the Golden Gloves tournament there. Red later erased that one defeat when he got a return match.

Bell was a popular and winning contender in the Golden Gloves tournament in Central Texas. For a time he was in the coast wise shipping service and is in a defense industry in New York. He is the son of Mr. and Mrs. J. E. Bell of Cameron.

Mr. and Mrs. M. L. Worcester of Cameron have returned from a visit with their daughter, Mrs. Vernon O'Brian in Edinburg. Mr. Worcester is 85 years old and shot buffalo on the range in the years of 1875 and 1876.

Mrs. Mamie Brown who has been visiting her relatives, Bishop Quinn and wife in Houston, has returned home to Cameron.

TO THE PEOPLE OF MILAM COUNTY:

The splendid majority you gave me on last Saturday to re-elect me your sheriff for a second term for which I asked you, gives me a feeling of gratitude I cannot express in this manner. It will be my sole purpose to so serve you so as to in some measure thank you for the confidence this vote expresses. To be grateful is not enough and I want each one to know how deeply appreciative I am. Based upon the experience of my first term I know I can serve you better and I want you to call on me at any time there is anything I can do. To those who voted for my opponent, I hold only the kindest of feeling and assure them and all the people that I will be sheriff for all and will serve without favor and in complete justice. Please give me your co-operation that I may make you a better sheriff. Again thanking each one, I am,

Your friend,

VALTER WHITE,

Returns Were Late Here Saturday Night

Returns were late coming in Saturday night but by midnight or after all save 4 precincts had been accounted for.

Cameron's two voting precincts were not reported until practically all other boxes had been reported. In the early stages of the broadcast boxes were reporting as usual.

John B. Henderson, county chairman, was working under great difficulty due to a crowded room and remained on the job until around 5 a. m. trying to get complete returns.

The election party was one of the largest ever seen here. Interest in W. Lee O'Daniel predominated. A worn out loud speaker system belonging to Yoe High School was replaced by a much better one owned by Marvin Ethridge and used at the Rodeo Arena in Wilson-Ledbetter Park and LeRoy Massengale, reading the returns was able to continue, though reading some returns through his own natural public address system.

CHRISTIAN SCIENCE SERVICES

"Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 2.

The Golden Text is: "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you" (II Cor. 13:11.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (I John 4:16.)

The Lesson-Sermon also includes the following passage from the Christain Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All substance, intelligence, wisdow, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifstations of the infinite divine Principle, Love" (page 275.)

MY TIME IS IMPORTANT, TOO... AND I'VE FOUND AN EASY WAY TO SAVE IT!
"I give a very great deal of time to war work and Civilian Defense activities ... I need all the time I can save. So, since there were no new electrical appliances to be had, I simply had my old ones repaired. Believe me, they save my time for Uncle Sam!"
KEEP 'EM WORKING .. FIX 'EM

REPAIRED *Appliances Work Like New*

15 Year Old Waco Girl Sought Here; Officers Still Search

Officers are looking for Mary Charles Baxley, 15 year old Waco girl who was last seen here Tuesday with Sam Cobb, local boy.

Deputy Sheriff Carl Black said that J. B. Brown, probation officer at Waco, telephoned him to look for the girl. She had been missing from her home and when she did not return officers were called in.

Mr. Black made an investigation but said he did not find the girl. At the home of Cobb's mother, Mrs. Moore, it was learned the couple had spent the night there.

It was thought they may have gone to Fort Worth where Cobb is reported to have sought enlistment in the Coast Guard.

The mother of the missing girl and two aunts were in Cameron looking for Miss Baxley and appealed to the people of this section to look out for her and to get in touch with officers.

E. W. Stork of Gay Hill transacted business in Cameron on Monday.

Miss Leila Marie Batte who holds a position in San Antonio, spent the week end here with home folks.

Joe Baker of Pleasant Hill was a Cameron visitor Monday.

C. M. Selman, Rockdale Superintendent Visits Cameron On Friday

C. M. Selman, newly elected superintendent at Rockdale, was in Cameron Friday afternoon and while here paid a much appreciated visit to the Herald Plant in company of Chas. M. Hicks, county superintendent.

Mr. Selman is a native Texan, born and reared at Lufkin in East Texas. He was superintendent at Brenham before his election at Rockdale. Mr. Selman and Chas. Hicks have been friends for many years.

Rockdale has always had a very highly rated school and Mr. Selman will measure up to his responsibilities there. He is profoundly educated, efficient, modern with a fine personality and tall like an East Texas Pine. He has made a most favorable impression in Cameron.

Norine Lange of Austin visited her parents Mr. and Mrs. Robert Lange over the week end.

E. L. McGuyer of Rockdae was a Cameron visitor Tuesday.

BILL WORCESTER MAKING GOOD AT BASEBALL IN CAMP BOWIE SPORTS; IS VOLUNTEER

Bill Worcester, Cameron boy and a volunteer in the army, is making good in sports, and right now is setting a terrific pace at bat on the Camp Bowie team.

A recent account of a game with the Tank Destroyers says that Worcester had a lions share in beating the Destroyers. In two games he has chalked up five hits in six times at bat, including four doubles.

Bill was a local diamond star, a pitcher and loved the game.

STALINGRAD MENACED BY 3 NAZI ARMIES

Stalingrad, important industrial city at the gateway to the near east oil fields of Russia, was menaced Wednesday by 3 prongs of the Nazi advance.

The plight of the Russian armies was growing more grave each hour, said a communication from the Soviet capital.

The Germans have thrown 250,000 fresh troops into the battle for the overthrow of the Reds.

There was no indication as yet the Russians would be able to avert disaster in that section of the battle front.

Great Britain lost 32 bombers over Hamburg Tuesday night but laid waste to great sections of the city.

The Egyptian battle has come to a halt.

Lieut. John Atkinson Gives Graphic Account Of Midway Battle; He Drove Flying Fortress In Great Victory Scored Against Invaders

Lieut. John Atkinson, one of the heroes of the Midway battle in which the Japanese invasion fleet was blasted and defeated, has written a letter to his mother, Mrs. B. P. Atkinson of Austin.

A copy of the letter dated July 1, 1942, has been given the Herald by Miss Lilian Atkinson, aunt of Lieut. Atkinson, and it is published below:

July 1st, 1942.

"The celebration of my first complete year over here was a pretty exciting event. On June 3, 1941, at approximately 5:00 p. m. I was setting foot on Hawaiian soil for the first time. On June 3, 1942, within a few hours of 5:00 p. m. first actual contact with the Jap invasion fleet was made by our Fortresses, "some several hundred miles the Tokyo side of Midway." The following three or four days were pretty sensational. Of course, that battle wasn't fought and won in the space of those four or five days. We have been preparing for it since December 7th. However, business really picked up about ten days before hand. Actually, from the beginning of specific preparations to the end of the cleanup operations, the battle could be said to have covered about an eighteen or twenty day period.

"Just as we were caught flatfooted Dec. 7, because we did not believe it possible, so were the Japs this time. I think it was quite a surprise to the Japs to find us on top of them six hundred miles out of Midway; fortunately for us, they had more guts than sense and kept coming on in. I say fortunately for us because if they had turned around then, they wouldn't have lost nearly so much. The next day their carriers were close enough to launch their planes for an attack on Midway. There again they were disappointed for when their planes hit Midway, not only were all our planes, bombers and fighters in the air, but we were out blasting their carriers. They levelled Midway and we levelled the carriers. The results were about even. The Japs blew up the power plant, P X and a few buildings and hangers, besides a couple of storage tanks; they also shot down a number of our fighters and killed a few of our men. We either sank or damaged beyond use four of their five carriers, which meant that the carrier planes attacking Midway had nowhere to land except in the ocean when they came back. That about evened the score but we picked up a few points by blasting a number of battle ships, cruisers, destroyers and several transports. With their air power knocked completely out, the Japs decided they had had enough and started running. It was a picnic from then on. Perhaps the outstanding feature of the battle was the complete and all out co-operation of our Navy, Marines and Army Air Force—without which the story probably would have been quite a bit different. However, if I had to choose, my vote would go to the Marines on Midway, because tho they were knocked out by the raid and their planes took a terrific punishment—they absorbed the hump of our losses—they were still in there all the way and maintained the base for our bombers.

"Tho a false sense of security is not intended, one cant help but gloat over the battle. The Japs with a terrific force—anything with five carriers accompanying warships and transports is terrific—couldn't take Midway, an island two miles wide by four miles long. And with the force they had, Midway could hardly have been their main or even secondary objective. However, if they had taken it, the story might still be in the making. But let's take it as a job well done, but one that will have to be repeated several times to erase the Japs. However, it is a blow in the right direction.'

Dorothy Jistel, Norris Krieg, Clotilda Mikulec and Edna Krieg of Austin visited during open house Wednesday evening at Camp Swift at Bastrop.

420 Absentee Votes Cast; Is Record for Pre-Primary Voting

Four hundred and twenty absentee ballots have been cast for the Primary election Saturday, July 25th, it was announced this morning at the office of Homer Nabours, county clerk.

It was said to be a record number of votes, exceeding all past casting by absentees. Under present laws ballots are brought in by agents. The law has been liberalized to such an extent that results of an election are often determined by the pre-election day vote. However in Milam county this will not be the case.

Another liberal approach to vote getting is the new law which permits agents to be appointed to pay poll taxes.

ROSTOV STILL HELD BY THE RED ARMY

Rostov, claimed to have been captured by the Germans, was still in Russian hands Saturday and Hitler was throwing one million, six hundred thousand men into the fight to force capture.

The approaches to Rostov were said to be littred with dead, men from both sides in what is described as one of the bloodiest battles in all history.

The Germans were throwing everything into the battle. They have reached the city but the Russians are retreating foot by foot and taking a heavy toll of the invaders.

Hitler announced the capture of Rostov but seems to have been premature with the statement.

Three world sources today demanded a second front. British workers went to see Churchill; Yugoslavia demands it and now Dr. Benesh, head of the exiled Czech government has asked it.

Mr. and Mrs. S. H. Posival of Buckholts had as their Sunday guests Mr. and Mrs. Louis Denker and family of Cameron.

EARLY RETURNS SHOW O'DANIEL IS BEATEN

Early returns from scattered precincts in Texas, including some heavy tabulations in Harris county, indicated strongly that Senator W. Lee O'Daniel has been forced into a runoff with James V. Allred.

Dan Moody, youngest man ever to serve as Attorney General and Governor, Texas, was a bad third.

Coke Stevenson was leading Hal Collins for governor by a vote of almost 6 to one in Harris county.

Tabulations were being made slowly and only a smattering of votes had been accounted for.

In Harris county Allred had more than 1000; O'Daniel 700 and Moody 200. In Travis county Dan Moody was leading with 250 votes while Allred was second with 79 and O'Daniel had only 25.

In Harris county Coke Stevenson had 6000 votes and Hal Collins had 1000.

In Wichita Falls it was said that former Governor Allred was leading by a commanding figure. Dan Moody was strong in Bexar county and in portions of Central Texas.

O'Daniel was strong in West Texas but apparently had lost considerable strength in central Texas. He must be 20 per cent stronger that he was last year to avoid a run off.

Politicial calculations were strongly indicating that O'Daniel has finally been brought into a run off and how badly he is beaten from his former commanding majorities was indicated by the early vote trend.

O'Daniel was strong in both urban and rural centers in all his previous races. By nightfall the trend of the race should indicate final results. It was estimated Texas would cast 900,000 votes.

LeRoy Massengale met with the First Aid Class in Ben Arnold Tuesday night. There were 47 present. The class reviewed splints. Mr. Massengale is pleased at the response of this class.

O'DANIEL NOW HAS 48 PER CENT OF THE VOTE

With only about 70,000 votes remaining to be tabulated from Texas' Democratic Primary Saturday a run off between James V. Allred and W. Lee O'Daniel will be necessary to determine who shall be the nominee of the party for United States Senator.

Mr. O'Daniel had obtained 48 per cent of the vote at noon Monday. Allred had polled one third of the votes and Moody had obtained around 20 per cent.

It was estimated that O'Daniel would gain slightly but if present rural trends continue Allred might widen the gap between a majority for O'Daniel in the primary and a run off certainty. Allred was running surprisingly strong in the rural districts.

Both O'Daniel and Allred were witholding announcements. O'Daniel was mad and so was his family about the bitter campaign. Allred, mowing his lawn at Bellaire near Houston, said he was going to "mow O'Daniel under."

Political observers saw a chance that Allred might succeed, though the chances are against him. He would have to poll the Moody srength almost solid to get the nomination.

Business men were supporting O'Daniel largely on his labor stand. All eyes looked to Washington. Senator O'Daniel defeated the Roosevelt Administration last summer when he won over Lyndon Johnson.

Milam County Vote Being Cast Slowly

The vote in Milam county was being cast slowly up to 1 p. m. Saturday.

Reports reaching the Daily Herald indicated the vote might become heavy in the late afternoon as rural voters, observing sun time will vote late according to war time. Milam county's population is 70 per cent rural.

Rockdale Reporter said the voting there was light in the forenoon but would be heavy this afternoon. That situation seemed to prevail generally.

In Cameron the Court House box reported 297 votes shortly after 1 p. m. while the box at the Gymnasium reported 236 votes at 1 p. m.

44 Boxes Complete In Tabulations in Returns Today

Due to the necessity of working hard and fast to get election returns the Daily Herald was able to bring to its readers complete returns from 44 out of 48 voting precints in the county from Saturday's Democratic Primary Election.

Four precincts missing are Baileyville, Bushdale, Crush and Salty. Returns from these precincts will in no wise change the results of the election.

If these boxes are received by Tuesday new totals will be published but the tables will be corrected only for the weekly Herald.

Tables published Tuesday will be correct and complete if the returns are in.

The plan is to print as many tables each day as possible and to combine them in the weekly Herald.

Brothers Are Charged In Affray; Pay Fines

Ollie Seeton and Roy Seeton were charged with an affray in City Court here by City Marshal Gene Smith who reported the men were fighting in Santa Fe town.

Mr. Smith reported the men resisted arrest and both were 'handled' by the officers. Charges of simple assault were filed in City Court and both men paid fines.

The Seetons are brothers and were fighting, according to Mr. Smith.

RUN OFF IN SENATE RACE IS ANNOUNCED

A run off in the race for United States Senator was announced Tuesday by the Texas Election Bureau in making final tabulation of the vote from 254 Texas counties.

Senator W. Lee O'Daniel lacking 30,000 votes gaining a majority over the field. Former Governor James V. Allred had polled 310,000 votes to get in the run off.

Jesse James, state treasurer, lacked only about 15,000 votes gaining a majority and will be the leader in run off with Gregory Hatcher of Dallas.

Pierce Brooks and Beauford Jester will run it out for the Railroad Commission, unexpired term and Senator John Lee Smith and Senator Harold Beck will oppose each other for Lieutenant governor.

Voting Gets Slow Start But Picks Up

Voting was casual early Saturday in Cameron but increased as the day wore on and people generally were released from early morning obligations.

Rural boxes were reporting an early cast because for the most part farm people were coming to town early on Saturday.

Mrs. Jack Lewis, chief clerk of the Local Draft Board was the first to cast a ballot at the court house box.

John B. Henderson, Chairman, was making arrangements to braodcast the vote tonight.

T. P. Walker of Austin was in Cameron Friday.

Misses Gladys Messimer of Houston and Miss Isabel Messimer of San Antonio, have been visiting with their mother and Miss Woolley, but Miss Isabel has gone to St. Louis to visit her aunt, Mrs. Joe Kreusch and husband, and Miss Gladys has returned home to Houston.

Joe Bozeman of Baileyville was a Cameron visitor Thursday.

Jim Baskin of Austin made a business trip to Cameron on Friday.

RUSSIA NOW FIGHTING FOR LIFE OF NATION

Rostov, important key city to the near east oil riches of the Soviet Union, has fallen to the Germans.

The city near the Sea of Azov has now been twice taken by the Germans. The armies of Hitler were driven out of Rostov last winter where they had gone in their advance into Russian territory in the campaign of last year.

The Russian army command had not conceded the loss of the city of Rostov but the Germans are believed to have taken it.

While the loss of Rostov is a serious blow to Russia it would not necessarily mean disaster. If Leningrad should fall then the whole southern front would collapse and Germany would have open access to the vast oil riches of the near east.

The Russians were making no effort to hide the fact that the situation is the most critical since the war began. The Red government said that Russia is fighting for her life.

The German air force, said by wishful thinkers to have been dissipated, has again proven a major factor in their victory over the Russians.

There was no second front, as yet, unless it is established by Japan against Siberian Russia.

Arrival of thousands of troops in Ireland, as announced Wednesday, may indicate a step up in plans for an eventual attack on the continent. In Australia it was said that the lull may be over. The Japs have had time to reform their strength and consolidate their positions.

There were indications that Germany may be returning to the attack by air on England. She sent 40 planes over the British Isles Friday morning and lost 7 shot down. At the same time the RAF lost 7 planes shot down over Axis territory.

Kemp Hugh of Temple was in Cameron Thursday. He is employed at Camp Hood.

I am now teaching a class of Gregg Shorthand for those who have had the subject and feel the need of a "brush up" course. Beginning Monday, July 27, I will start a course for Beginners in Shorthand.

If you are interested in either of these courses, or in Typewriting, telephone No. 17 right away.

Strong Appeal Made For Knitters; Shame To Have to Beg You

The Red Cross has received a large shipment of wool. We need one hundred sweaters and sixty helmets to be knitted as soon as possible.

They have asked us to lay everything aside and lend every effort to get these out at the earliest possible date.

Winter is coming on and the boys who are in cold climates are badly in need of these warm garments. It is a shame we have to beg some of you folks to knit when our boys are giving up their loved ones and lives to fight for our freedom. If you will promise yourself to knit several hours everyday, we could easily get these garments out. It is awful to think that our boys are cold for the want of some one to knit them a garment.

As I have told you before, we have teachers at the knitting room from 2:30 p. m. to 5.00 p. m. daily, and they are only too happy to teach anyone to knit who is willing to learn.

Mrs. F. C. Fahrendorf,
Knitting Chairman of Milam Co.

Mr. and Mrs. O. R. Looney of Ben Arnold, did shopping in Cameron Wednesday. Mr. Looney is a prosperous farmer of that community.

Miss Marie Ford who is working at the air field in Sherman was in Cameron on Monday. She was employed at the Cameron Herald and later entered the Texas State College for Women at Denton. She was accompanied here by her mother Mrs. Joe Ford of Yarrellton.

Edwin Stecher who has been employed at the New Cameron Drug Co., for the past year, left Saturday for Waco to take his examination, and from there will go to Corpus Christ to enter the Air Craft School.

Jack Rae of Sandy Ridge made a business trip to Cameron on Monday.

H. E. Felton of San Gabriel was in Cameron on Monday.

A. N. GREEN THANKS THE VOTERS OF MILAM COUNTY:

I sincerely thank the voters of Milam County for their confidence in me, expressed in their re-electing me to the office of Representative of the 64th District.

It will be my earnest endeavor to show my appreciation and gratitude by diligent and faithful service during my tenue of office.

Very sincerely,
A. N. GREEN
